Blahut's background is in education, yet painting has always been her passion. "My paintings are an extension of my emotional and physical life. They are the most authentic part of me...They are the expression of the inner emotional places that I pass through daily. The painting's method is interrupted and fractured in order to illustrate the fragility of what we experience and hold as our truth, masked or obvious."

Art League Gallery is dedicated to providing as safe an environment as possible. To that end, Art League is following all CDC and Town of Hilton Head guidelines, including mandatory masks for patrons and all employees, contactless and cashless service, frequent sanitization of the gallery, and a limit of 10 visitors in the gallery at any one time except during special events.

The Art League Gallery is located mid-island inside the Arts Center of Coastal Carolina, on Shelter Cove Lane on Hilton Head Island.

Art League of Hilton Head is the only 501(c)(3) nonprofit visual arts organization on Hilton Head Island with a synergistic art gallery and teaching Academy. Art League Academy welcomes artists and students in all media at all skill levels, including true beginners. Taught by professional art educators, students can choose from many art classes and workshops that change monthly.
