## Asheville Area

**Asheville Area Arts Council Gallery**, 207 Coxe Ave., in the Refinery Creator Space, downtown Asheville. **Through Jan. 10** - "Through Our View We Find," a new exhibit from photographer and curator Elliot Kulwiec. This exhibition will use film photography to showcase an alternative view of Asheville, and its neighboring regions, through the lens of the locals who reside here. Asheville is depicted as a paradise in the mountains of the south, but often aspects of the city are overlooked and undiscovered. It's important not to gloss over the hidden gems and understand its not defined solely by beer, food, art, and outdoor activities. This exhibition will showcase Buncombe County photographers committed to highlighting these features so visitors will see the many different shades that this area has to offer. The exhibit will also highlight the lost art of film and the artists who dedicate their time and money to the craft. When shooting film, because of its inability to immediately view the photograph, much creativity and intention is given to the subjects. Great knowledge is needed to achieve a properly exposed photograph which gives film photography the potential to convey more depth and emotional value. Hours: Mon.-Fri., 10am-5pm. Contact: 828/258-0710 or at (<http://ashevillearts.com/>).

For the first time in the Museum's history, it has the capacity to host major traveling exhibitions from nationally recognized museums. The expansion increases its physical space and dramatically increases its role as a community center, educational resource, economic engine for WNC, and cultural concierge for the region's residents and visitors.
