The Art League of Hilton Head on Hilton Head Island, SC, will present *Abstract x 3*, featuring works by Rose Cofield, Jennifer Rocco Stone and George Watson, on view in the Art League Gallery, located inside the Arts Center of Coastal Carolina, from Jan. 5 - 30, 2021. Inspired by the use of bright colors and textures, women's interior emotional landscapes, and the free-flowing shapes of blown glass and handmade pottery, the works by Cofield, Stone and Watson show three very distinctive points of view.

Cofield is a sculptor-turned mixed media artist. Her latest work reflects her love of vibrant colors and shapes. She has taught sculpture workshops in South Carolina schools and arts organizations, while her 2D work has been selected for shows both locally and in New York.

Work by George Watson

Stone is a retired public school art teacher. Her work consists of contemporary depictions of women combining her skills in figure drawing and the unpredictable quality of abstract art and pure bold color saturated abstract canvases. Stone has been featured in numerous solo and group exhibits in the New York and New Jersey area.

Work by Rose Cofield

Watson is a glassblower and potter, as well as a 2D artist. Full of vivid color and whimsical brushstrokes, his paintings consist of forms, shapes and patterns echoed in his glasswork and pottery.

Society of Bluffton Artists in Bluffton, SC, Features Works by Marianne Stillwagon

Society of Bluffton Artists (SOBA) in Bluffton, SC, will present *Reflections of the Lowcountry*, featuring works by Marianne Stillwagon, on view from Jan. 4 - 31, 2021. The exhibit is free and open to the public.

Stillwagon's art reflects her love for two homes and two studios in New Hampshire and the Lowcountry.

"The picturesque villages and ever-changing seasons of New England have been the inspiration for my 'Contemporary Primitive Americana' paintings while living in New Hampshire," said Stillwagon. "Since coming to the Lowcountry of South Carolina, I have been inspired to paint the beautiful marshlands, coast, birds and wildlife of two regions — New England and the South."

Stillwagon has a bachelor's degree in design, and she has worked as a freelance graphic designer for many years before pursuing her "first love" of painting. She has participated in numerous retail and trade fine art shows since 1976. Stillwagon's artwork has been sold in galleries and shops throughout the US. Additionally, she is an exhibiting member of the New Hampshire Art Association, the Monad-
