Work by Yvette L. Cummings

Franklin G. Burroughs • Simeon B. Chapin Art Museum, 3100 South Ocean Blvd., beside Springmaid Beach, Myrtle Beach. **Through Sept. 13** - "Yvette L. Cummings | Everything Will Be Ok". Cummings, a figurative artist in Conway, SC, explores the implied power of the gaze. Gazes can often reflect emotion without speech and offer information about relationships between those doing the gazing, whether that be the viewer of a painting or the subjects pictured in the painting itself. Cummings' colorful, pattern-filled paintings and installations delight the eye while simultaneously revealing serious undertones in their imagery — messages of conflict expressed from the viewpoint of a sexual abuse survivor. **Through Sept. 13** - "Voice Lessons | Eli Corbin, Fran Gardner, Lisa Stroud and Beau Wild". Focusing on issues women have dealt with for centuries, Voice Lessons is a multi-media visual-arts narrative of women's lives — the strength, tenacity and courage demonstrated by our mothers, sisters, daughters and friends. Shifting the dialogue toward empowerment, the art of four female artists, Eli Corbin (Asheville, NC), Fran Gardner (Heath Springs, SC), Lisa Stroud (Cary, NC) and Beau Wild (Port Orange, FL), illustrates the multi-dimensional reality of womanhood — as intelligent and sexual and as powerful and feminine, with emotional range. Voice Lessons encourages tolerance, empathy and compassion among women and men, as it draws together the struggle, strength, vulnerability, individuality and community of the female experience. Orangeburg

Cecil Williams Civil Rights Museum, 1865 Lake Drive, Orangeburg. **Ongoing** - Established in 2019, the exquisite ultra-modern facility displays 1000 images of the Civil Rights Movement, but from the perspective of The Epochal South Carolina Events That Changed America. The massive archives comprise the largest collection of images of this type among all museums in the United States; including the Atlanta based High Museum which archives 300 images. The images were created by the founder, Cecil Williams, who began photography at age 9 and covered almost all historically significant events in South Carolina; from 1950 Briggs v. Elliot in Summerton, thru the 1969 Charleston Hospital Workers' Strike...and Beyond. From 1955 through 1969, Williams was a freelance journalist for "JET" magazine. His images have appeared in thousands of magazines, newspapers, historical publications, and motion picture productions. The museum design itself is part of the founders' DNA because; upon graduating from high school, Williams wanted to attend Clemson University to study architecture but denied because of his race. He then purchased a drafting board and through the years, designed three residences; including one featured in "EBONY", and the museum's design which has evolved into a living history facility.
